

# Want To Save Money?

If your home is heated by oil, here is a special invitation to join the thousands of satisfied customers in the CANEX Home Heating Oil Program.

As a program member, you will SAVE on the regular delivered price of home heating oil.

# How Do I Get Started?

## It's Easy!

You can start the application process by choosing one of the following:

## Visit your local CANEX Store

or

## Drop off the attached Referral Form to your local CANEX Office

Once CANEX certifies your eligibility, a representative will contact you to complete the proper documentation and agreements with you.

The CANEX Home Heating Oil Program is not available in all regions of Canada.

## HOME HEATING OIL PROGRAM

Certification & Referral Form

I would like to receive more information about the terms and conditions of the CANEX Home Heating Oil Program in my area.

I certify that I am a CANEX authorized customer and have provided the appropriate identification number as required.

I understand that if I join the program I will be required to sign the local heating oil provider agreement and that a credit verification may be required.
